REV RACHEL WRITES...

What a month!

What a month we have ahead, with Holy Week, Easter, and St George's Day. Further through Crossroads you will find details of services and activities during Holy Week, including a day spent together as the Church in Tuffley on Good Friday. It will be very special to be together that day, and do please come along to any of the elements that day as you can: 10.00am until 12.00noon Messy Easter at St Barnabas, 1.00pm Holy Communion at Grange Baptist, 1.30pm walk of witness round Tuffley setting off from Grange Baptist, 3.00pm Mass at English Martyrs (only Roman Catholics will be able to receive Communion at this service, but everyone is very welcome be present). You will also find details of St George's and St Margaret's Easter services further through Crossroads, and we very much look forward to celebrating this most joyful time together.

I particularly want to highlight our St George's Day celebrations this year. We have anniversaries to celebrate! Last year it was 50 years since the consecration of St George's Church and Centre, which took place on 21 September 1971. In addition, it is 80 years now since the whole site was acquired and dedicated for a church building. In 1942 the wooden hut Mission Hall was moved from Whaddon to act as a new temporary church building – as shown in the photo below.

The first temporary church at St Georges, 1942. This was previously the Whaddon Mission Hall, moved from near Whaddon School on the Stroud Road.

On St George's Day (23 April) this year, we are planning a community celebration day to mark these anniversaries as well as the Queen's Platinum Jubilee. We will be displaying many more photos like the one above, along with a potted history of St George's and Tuffley. If you have any photos from over the years, or any memories to share, do please let us know before St George's Day.

St George's will be open on the afternoon of Saturday 23 April, for you to see these photos and memories, refreshments will be served, and there will be outdoor games and activities for children and adults alike to enjoy. In the later afternoon/early evening, there will be a BBQ and music for all to enjoy (in the Centre if the weather is bad!) On Sunday 24 April there will be a 10.30am celebration service followed by celebratory cake and fizz (tea and coffee will also be available!)

Please do put this weekend in your diary and come along on the 23/24 April as you are able. It will be fantastic to be able to celebrate together as a community of Tuffley, and to give thanks for the past 80 years of St George's!

I wish you every blessing for Holy Week and Easter, and look forward to hearing your memories and stories for St George's Day,

RACHEL

A message from Bishop Rachel on Ukraine

written 7th March 2022

So many words come to mind as we watch and hear events unfold in Ukraine and indeed in Russia. Thousands of people are suffering. Bishop Robert and I invite you to respond:

Financial: The Diocese in Europe has launched an appeal with USPG for humanitarian aid both in Ukraine and with Refugees across Europe. This will support the work of Churches and Christian Agencies both urgently now and in the longer term.

Give online at <https://ukraine-emergency-appeal.raisely.com>

Prayer: *In the face of such overwhelming horror, we need to pray. As we bring our heartfelt requests to God, so we too are transformed. As we long to 'have the mind of Christ' (1 Corinthians 2:16) we enter more fully into the heart of God and desire to see as God sees. As we pray for the people of Ukraine, let us pray also for the people of Russia.*

If you would like to join with other Christians visit www.achurchnearyou.com to find details of services including Easter and Holy Week services happening in your area.

A POSTSCRIPT FROM THE FLAG LOCKER

I didn't expect to be giving you yet more news from the flag locker quite so soon, but we have two new flags to tell you about.

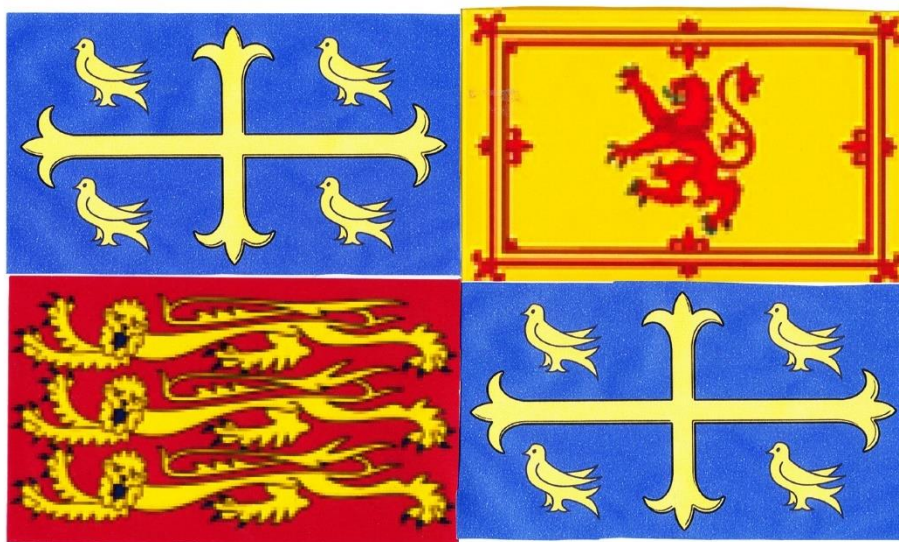

The first is for a deplorable reason, namely the atrocities being committed against the people of Ukraine. We are now flying a large blue and yellow Ukraine flag at Saint Margarets. At nine feet long it is actually 26% larger in area than our usual eight by four. It certainly leaves no one in any doubt as to its message.

The second is an entirely new flag, unique to Saint Margaret's. I'm calling it the Whaddon Royal Standard. It comprises the St Edward's cross in the top left and bottom right quarters. This is the flag we normally fly for our patron Saint Margaret of Scotland, who was niece of King Edward the Confessor. Top right is the Red Lion of Scotland, and bottom left the three leopards (or lions) of England. Put that lot together on one flag and you have something very reminiscent of the official Royal Standard - which can only be flown when the sovereign is present.

This lovely new flag will be used on future royal flag days. It was kindly sponsored by Roger Western in memory of his late wife Ann, who for many years was a devoted churchwarden and PCC secretary at Saint Margaret's.

JONATHAN

REACH FOR THE SKY by Tony J

Born with aspirations, and goals to achieve
The only way to get there, is too truly believe
If ever in doubt, ask yourself why
Then cast these aside, and Reach for the Sky

We are given personalities, and individual skills to match
Ideas in your head, perhaps ready to hatch
If they don't work instantly, don't give up and cry
A solution is always there, just Reach for the Sky

No matter who you are, be the best you can
This applies to each of us, every woman and man
Cos as we go through life, you can never aim too high
So, awake each glorious morning, and Reach for the Sky

Get ready for No Mow May

Lock up your lawnmower on 1 May and let the wildflowers in your lawn bloom, providing a feast of nectar for our hungry pollinators. At the end of the month, on the Bank Holiday Weekend, join in with the Plantlife 'Every Flower Counts' survey to discover how many bees the UK's lawns can feed.

You will get your own 'nectar score' which will tell you how many bees your lawn can feed, and you will help Plantlife learn more about the health of the nation's wildflowers.

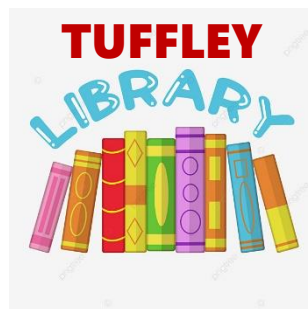

Emily from Primrose Hill Primary Academy said, "When we did No Mow May last year, we found a rare pink grasshopper in the lawn. Their bright colour means that they are easily spotted by predators and do not survive for long. The long grass must have been helping it to hide."

If you're really keen and want to rewild all summer, try #LetItBloomJune and #KneeHighJuly Find out more at www.plantlife.org.uk/uk/discover-wild-plants-nature/no-mow-may

WHEELIE BINS by Tony J

Strong winds, all over the place
Wheelie Bins, now in a race
All lined up, ready to go
Those topped up, are pretty slow
A sudden gust, and they take off
Quicker than a covid cough
Debris following in their wake
Recycling teams looking, for things to take
No traffic control, they ignore the lights
They can't be seen, on darker nights
A forerunner, to the driverless car
But they travel just as far
Without any numbers, which is mine
The cops have clocked it - for a speeding fine

This was received from Tony just too late for inclusion last month as storms Dudley, Eunice and Franklin had done their very best to cause havoc.

TUFFLEY LIBRARY COMPUTER CLUB

The club came into being some years ago to help members of the community get to grips with their new technology and is still active today.

We meet every Thursday from 11.00am to 1.00pm in the library on Windsor Drive.

The library Wi-Fi means we have access to the internet and the latest speed upgrade of the system enables us to have most people online at the same time.

Any one is welcome, some come most weeks others just when they need help with a problem. We have a few people who have computer skills and try to help

with problems and a few regulars who, over the years, have gained skills they can pass on.

We have helped people become comfortable with email, online shopping, Skype and Zoom. We have advised on the setting up of printers and scanners at home.

New devices and upgrades to old ones can present a challenge and, in many cases, we welcome the chance to learn along with the person with the query. Our aim is to help people be comfortable and confident using their devices. If you have a tablet, smart phone or laptop computer and wish to extend your understanding of the device come along.

If you have computer skills, you can pass on we are always on the look out for new talent to help.

Please feel free to turn up on a Thursday or give me a call for more information.
